Dear Miss Nicolet:

Re: Proposed Annexation No. 246,
El Monte Inhabited (Southwest)
to the City of El Monte

At the meeting held on November 2, 1960, the County Boundary Commission reviewed the boundary description and map submitted by your Office Engineer, Frank W. Caso, with his letter of October 19, 1960, of the proposed annexation of territory to the City of El Monte.

The boundaries submitted do not create islands or corridors of unincorporated territory and conform with record lines, proposed street right of way lines and existing city boundaries.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

Gordon T. Nesvig
